

GUIDE TO THE HOLIDAY WITH THE DOG

Our hotel can accommodate pets, with a regular health card and in compliance with the necessary vaccinations. Their stay is subject to a supplement of euro 3 5,00 per room per day and it is subject to the most scrupulous respect to the rules below:

-  the dog can walk in the garden of the hotel, but must be kept on a leash
-  even if access to the dogs is allowed in our private beach (but only under the sun umbrella), according to the ordinance of the mayor n. 50 24/04/2017 during the bathing season (from 15.06 to 15.09) is forbidden for dogs enter in the sea unless in areas properly equipped and reserved
-  the dog must be accompanied outside the hotel manure and the excrement must be removed with the appropriate tools. In case the dog dirty the room or elsewhere, th owner is required to clean
-  it is absolutely forbidden to bring the dog in the pool, in the internal areas of the hotel in the restaurant and in the SPA
-  the dog must be cleaned at all times and before returning in the room to make cleaning at the end of the stay
-  the hotel does not provide meals, games, dog kennels or other equipment. The owner must have the necessary equipment to avoid damage to furniture and avoid prolonged barking that disturb other guests
-  on the arrival at the hotel, please arrange with the Reception the time of the morning and evening clening of the room, to be performed without the presence of the dog in the room
-  any damage caused by the dog is the sole responsibility of the owner
-  it is forbidden to pick up the dog on the bed, on the sofa, on the chairs, etc...and it is not allowed to use bed linen or towels for the care of the animal

We ask you to contact the reception for any need.
